Lord, our division, and I am now only talking
the division between Orthodox and Catholics,
is a real scandal! How is it possible that
we, Christians, continue to be divided and not
only a temporary division but a division that
lasts, with deep roots, founded on conflicts that
are so absurd! Each one being a rival to
the other and some of us still holding anger
and hatred, how is it possible to speak with
integrity when an old quarrel is still unresolved
in our hearts? Can we really face You and say
that we are reconciled with our brothers and we can
come to You with good conscience to offer You our
offerings on Your altar? No, we cannot as
long as we live under Your Holy Name and are not
reconciled we cannot claim to come to You with
a clean conscience. Yet, we all know that Your great-
est wish, dear Christ, is UNITY and yet we hold
firmly on the barriers that separate us and we do
not seem honest enough to say: "we are not inclined
to bend since it is we who hold the real Faith
and the Truth." Have we not understood how
much more Beautiful Your Bride would look if

we unite? How much more Powerful the Church can become? How much more progress She can make? How many more Fruits She could produce? Now She's like stagnant. Can we honestly say She's progressing and earning souls in Her when we see daily in front of our eyes, soul after soul leaving Your Bride for a second-rate philosophy, yes, esoteric sects, like New Age, Jehovah's Witnesses and others. Yet these people, I feel, are in search of You, so help them to find You...

Ah, My dove, I have not been teaching you in vain... they have not yet understood that I need their heart to unite them; I need their heart to rebuild inside it My Church into One; unity will be by the heart; look, I have commissioned you to bear witness to a people not

Lord, what do You want me to do for You?

bring back My people to the real Faith based on love; pray that My Church be one, exempt from all evils; expiate, daughter, expiate for
